The Men's Walk #95 was attended by 20 men, who's lives have been changed by God's unfailing grace and agape love. Thank you to each person who prayed, sponsored, worked in the Conference Room, worked BTS, and attended Candlelight. You were the hands and feet of Jesus. At Closing the men shared how they have been forever changed by God.

Looking forward to this fall Kathie Dobie has agreed to be the Walk Lay Director (WLD) for the Women's Walk. We hope to have a Men's WLD announcement in the next couple of weeks. Please be praying and asking those who God places on your heart to take a Walk to Emmaus.

The Prayer Vigil signups for both Walks are available at:
<http://www.3dayol.org/Vigil/GetComm.phtml>. Please signup to pray today.

Please contact me, or any of the other Board members, if you have any questions or concerns.

God's richest blessings,

Eric Iversen

Community Spiritual Director:

Pastor Ted Orwig

One of the greatest sin of our day is forgiveness. There are many in churches living in this area. They say they forgive, but they continue to talk and remind others of an offense. Jesus asked a question, "How many times must you forgive others?" Peter thought he was being really kind, he told Jesus, seven times. Jesus said not seven times but seven times seventy. If my math is correct that is 490 times. That is for the same offense. I don't know about you but nobody has ever did the same thing to me 490 times. Jesus did not stop there, He said then forgive them again. Otherwise every time we need to forgive, yes I said and Jesus said every time. We need to be clear on our part, Jesus concern, is that as believers we need to walk in forgiveness? The fact is that Jesus said if we don't forgive others, God will not forgive us. This is one of the most serious scriptures on forgiveness. Yes our salvation can be conditional to our forgiveness of others.

Love Pastor Ted.

TEAM SELECTION

Hello, my name is **Julie Anderson** and I took my walk, #68, in October 2007 in Charlotte and sat at the table of Anna. I have accepted a one year appointment to the board and am honored to serve as your Team Selection Chair for this year. I have served on the team selection committee for one year and I look forward to serving with this committed group of servants again this year.

What does the team selection committee do, you ask? Well, as I have found out, a lot more than most people are aware. The team selection committee consists of a diverse group of community members that together, through prayer and discernment, bring a broad base of awareness to the selection process of prospective team members. This committee follows the team selection guidelines established by the board which are designed for both the building of the team and community into a body of mature Christian leaders for the church.

The team selection committee selects all team members, except for the Walk Lay Director and Spiritual Directors, and makes all lay talk assignments. All prospective team members must also be approved by the board.

If you have questions about the team selection committee please email or call me.

In His Service,

Julie Anderson

Team Selection Chair

So you want to serve...

Would you like to serve on an upcoming walk? I have heard it said, "I never get called and I really want to serve". We need to be able to contact you! When was the last time you logged in to IMS and checked your contact information? IMS is the database used to record contact information, positions served, and positions you would like to serve. It is also the database that is used by Behind the Scenes (BTS) coordinators and the team selection committee to obtain data related to willingness and qualifications for serving in certain positions on Emmaus walks. Checking and/or updating your contact information is easy. First log in to IMS (there is a link to IMS on the Lansing Area Emmaus homepage <http://www.lansingemmaus.truepath.com/>).

If you are having difficulty with the IMS Data System and desire to serve, Please contact a Board Member or Email me directly to Make Sure we have a correct primary phone number, email and Date of Birth.

Be blessed!
